We express our respect and sincere gratitude for all the help that the **Biedriba "Tavi draugi"** provides to the Ukrainian people in this difficult time of war.

Thanks to you we are able to look to the future with hope. Your friendly support means a lot for our community.

But we are still in need and by this letter ask you to help us with the next items:

- fire truck;
- bus for schoolchildren transportation.

With deepest gratitude,
