Dear Sir, Dear Madam,

I am writing in connection with the upcoming Invitation to submit a proposal ERASMUS-EDU-2022-EPALE-IBA in the field of education, training, youth and sport.

As you know, this Invitation targets specifically your organisation since you are explicitly named in the EU work programme.

If you are interested, please submit a proposal by 7 December 2021 17:00:00 (Brussels time).

Please use the following link to the submission system:

<https://ec.europa.eu/research/participants/submission/manage/screen/submission/create-draft/22232?topic=ERASMUS-EDU-2022-EPALE-IBA>

The call document with the conditions that apply to this Invitation are enclosed. Please, in order to complete the “detailed budget table” to be annexed to the application, use the funding rate and the maximum grant amount for your country as indicated in the chapter 10 of the Invitation.

Please refer also to the model grant agreement and other guidance available on the [Funding & Tenders Portal](#).

Please note that funding is NOT automatic. Your project will get funding only if it complies with all the conditions and receives a positive evaluation result.

Yours faithfully,
